Matt: Thought you would want to see these. All the right eyes are on them (OSWER and OGC). Joan

This just in, without pictures. It's a draft. I'm told the typical finalization process is to let the involved OSC's review and comment first, but that has not been done.

Also, high demand for the Work Plan, which I've also attached. Folks here are compiling all the relevant contract documents now.

Let me know when you're ready to discuss. Thanks. Joan
